00:00 Gathering activity: open chat. Leader off camera or camera muted. Let the boys chat with each other for a few minutes.

00:05 Welcome/opening flag ceremony. Scout lead. Pledge of Allegiance, Scout Oath, Scout Law. Screen share YouTube video of a flag waving (link below).

00:10 Talk time.

Sharing. Give each scout an opportunity to talk about what they've been doing related to a) schoolwork, b) scouting, and c) having fun at home.

Den Chief Minute. If you have a den chief, ask him or her the same questions.

Discuss scouting opportunities at home, ie finishing up remaining required adventures, doing additional electives, Cyber chip and youth protection exercises, virtually all of which can be done at home.

Discuss any programming or live streams put on by yours or other councils.

00:20 Activity – (This can be something that fits into an Adventure activity) (Note: this is only 10 minutes long) Watch Forensics video (run-time 4 minutes, link below, be sure to enable "Share computer sound" option on the sharing screen). Perfect intro to the Forensics elective adventure. Read first page of Forensics elective in Handbook. Discuss. Counts as Requirement 1. The remaining requirements have options that can be done at home. Mention that forensics relies heavily on the power of observation, segue into first game...

00:30 Game – Kim's game. Review the rules, then share a PowerPoint slide of the items for one minute (image link below). After a minute, stop screen sharing and give the den another minute to write down the items they remember. Go around the room and ask each scout to give their item count and list their items. When everyone is done, show the slide again to see what they missed.

00:40 Game – word scramble. Have a few PP slides ready of scrambled words. Example words to scramble: kind, loyal, brave, cub scouts, do your best. Show each scrambled word, then ask scouts to raise their hand as soon as they figure it out. After a few moments, call on the first scout to give the answer.

00:45 Game – animal charades. This is a lot of fun! One by one, use the private chat feature to assign each scout an animal they have to portray. The other scouts have to guess the animal. Here are some animals to use: Bull, Fish, Monkey, Dog, Cat, Rabbit, Snake, Pig, Chicken, Duck, Elephant, Cow.

00:50 Announcements

00:55 Sing Happy Birthday to any scouts who had/are having birthdays.

01:00 Closing with prayer and/or scouting benediction: "May the Great Scoutmaster of all Scouts be with us until we meet again."

Done!
