- Fish Story – For once in your scouting life, you do NOT have to be “Trustworthy”. A Fish Story is defined as “An extravagant or incredible story”. This term (noun) was derived from fishermen exaggerating the length and/or weight of the fish they caught. Your stories should include 1. How you caught your fish(es). 2. A description of your fish(es) 3. What makes your fish(es) better than anyone else in the world. Etc.
