Scout advancement may be viewed in Scoutbook. (again, please remember to look but don't touch the records in Scoutbook. All completed work should be forwarded to Mrs. Gaynor.)

All advancements must be turned to Mrs. Gaynor Friday the 8th.

Until we have an indoor place to meet our Troop structure has been altered a bit. Each Patrol is encouraged to meet either virtually or in person at least once a month and organize a Patrol Activity at least once a month. Patrols are encouraged to help track member Rank requirements and help provide opportunities for Rank advancement. This new structure really makes the Patrol Leaders and Assistant Patrol Leaders step up and work together to plan ahead and to communicate with their Patrol members.

PATROL LEADERS NEED TO SEND MRS. GAYNOR A CALENDAR OF PATROL PLANS. SHE WILL PUT THE INFO ON THE TROOP CALENDAR

The Troops will also be offering some whole Troop activities. Sometimes the Boy Troop and the Girl Troop will be included in these activities and sometimes each separate Troop may decide to do things on their own.

We are still following Covid safety precautions.

- All Scouts and adults must fill out and sign the Covid Screening form for every activity.
- Face masks need to be worn for all activities both indoors and outdoors.
- For many activities, a parent or guardian will need to attend with their Scout.
- We need to be prepared for changes as they happen.....

Rank Advancement – Due to restrictions that we are now faced with Rank Advancement has been a bit more difficult. Scouts are encouraged to complete the rank requirements when possible with their families. Once done email Mrs. Gaynor with the completion information and she will add it to their BSA records.
