## **Troop 824 Erie Canal Cleanup (International Trash the Trash Day)**

**May 1, 2021 – lunch orders for Uncle G's may be submitted at the meeting tonight and via email to Kendra by Friday at noon. Scouts will not be ordering food once we get to Uncle G's, they do not have staff to accommodate a group our size without pre-order.**

**Hike Details:** parents can pick up or drop off at any of the areas that have parking or Uncle G's. Of course, this will cut the length of the hike.

Day pack should include: water bottle, small first aid kit, work gloves, hat, face mask, small bottle of hand sanitizer, sunglasses, sunscreen, mole skin, lunch money.

General Information about the hike:

URL: <https://www.ptny.org/bike-canal/map/> This URL works nicely on a smart phone and if you select the GPS option while you are hiking it will show where you are on the map.

Note: The Erie Canal meanders in many directions but for the most part we will be traveling southwest.

Note: Parts of the trail will be on designated walking trailway and parts will be on rural roads. When we are on the road, we are walking facing traffic and on the shoulder. No exceptions.

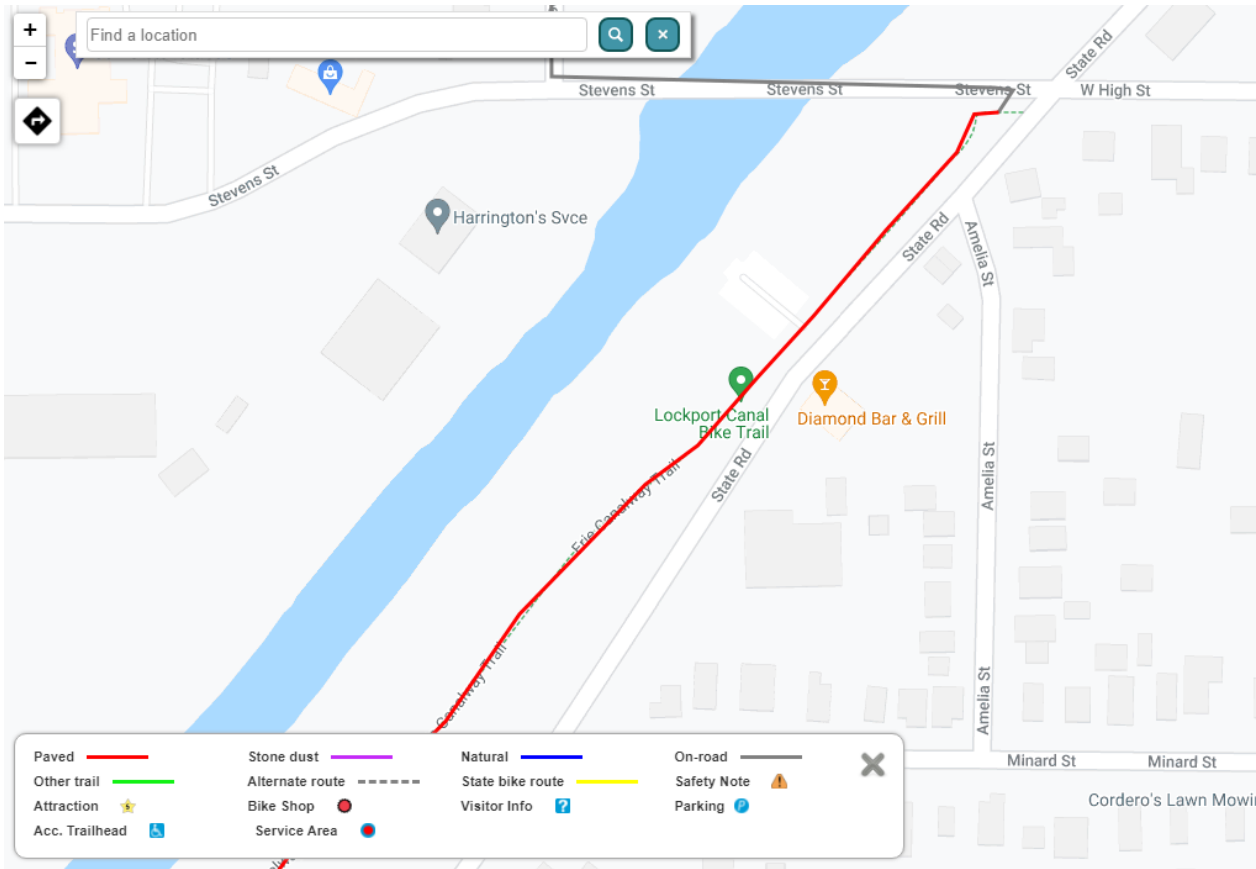

The average walking speed of a human is 3 to 4 miles per hour, or 1 mile every 15 to 20 minutes. We will be pulling the troop wagon so I am figuring 20 minutes per mile.

Start time: 9:00AM

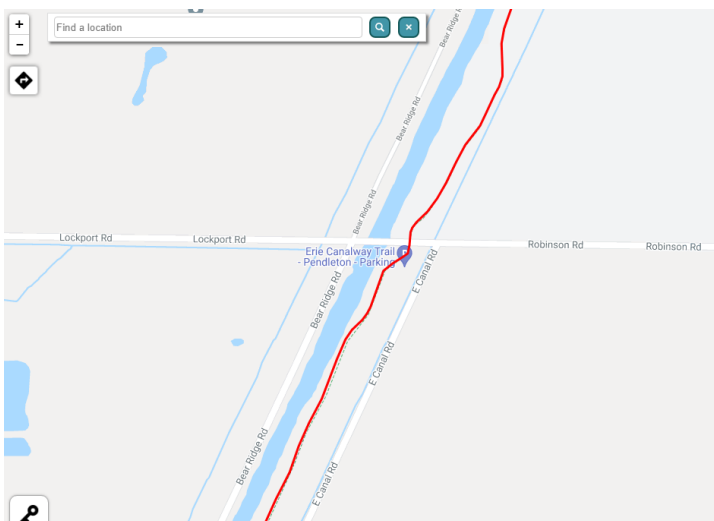

Lunch: 12:00PM at Uncle G's (We will pre-order your selections from the menu on Friday night. You will not have time to wait in line and place your order. All lunch orders are due into Mrs. Gaynor by 4:00PM Friday April 30.)

Hike resumes: 12:45PM

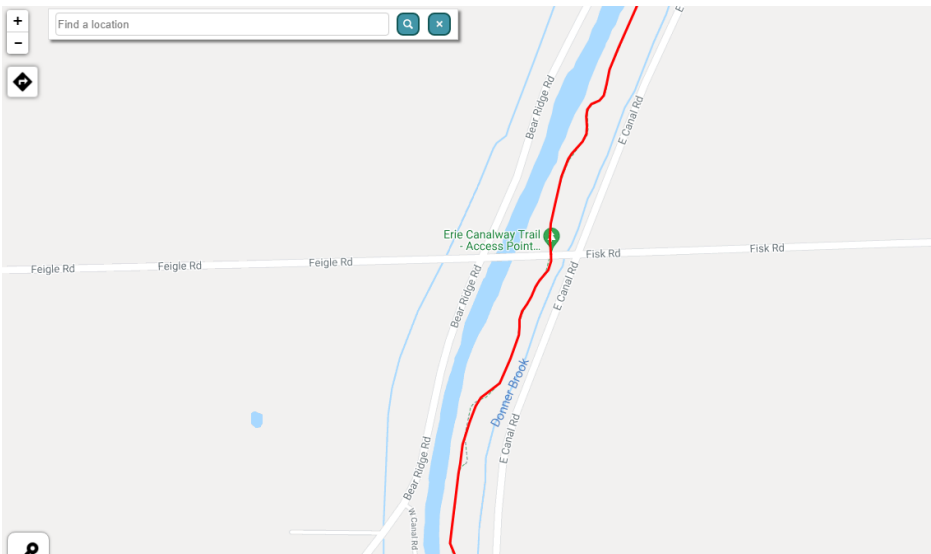

1. We will start at **9:00AM** sharp on Saturday May 1, 2021 at the Lockport Canal Bike Trail site. This is near the corner of State Road and Stevens Street in Lockport. We will clean up this site for 15 minutes and then begin hiking. There is parking at this site.

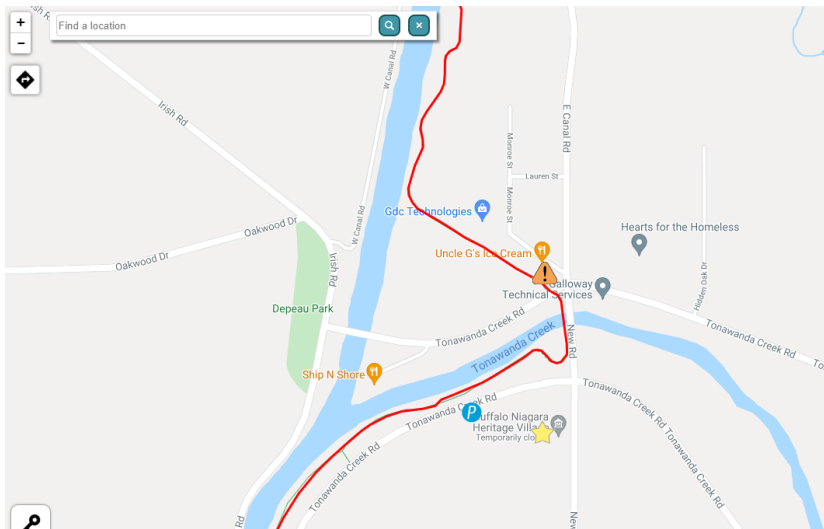

2. Our first rest will be at Erie Canalway Trail Pendleton. This is near the corner of East Canal Road and Robinson Road. **We should arrive at this site at 10:05AM**. There is parking at this site. We will rest for 10 minutes and clean up the site for 15 minutes. **Distance from 1. to 2. is 2.5 Miles.**

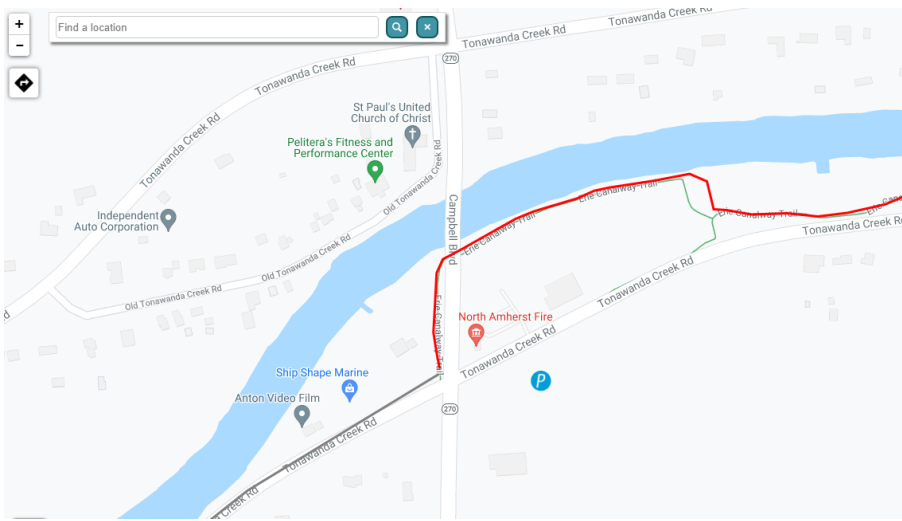

3. Our second rest will be at the Erie Canalway Trail Access Point near the corner of Feigle Road and East Canal Road. **We should arrive at this site at 11:00AM.** We will continue our hike after a brief 10 minute break. There is NO parking at this site. **Distance from 2. to 3. is 1.5 Miles.**

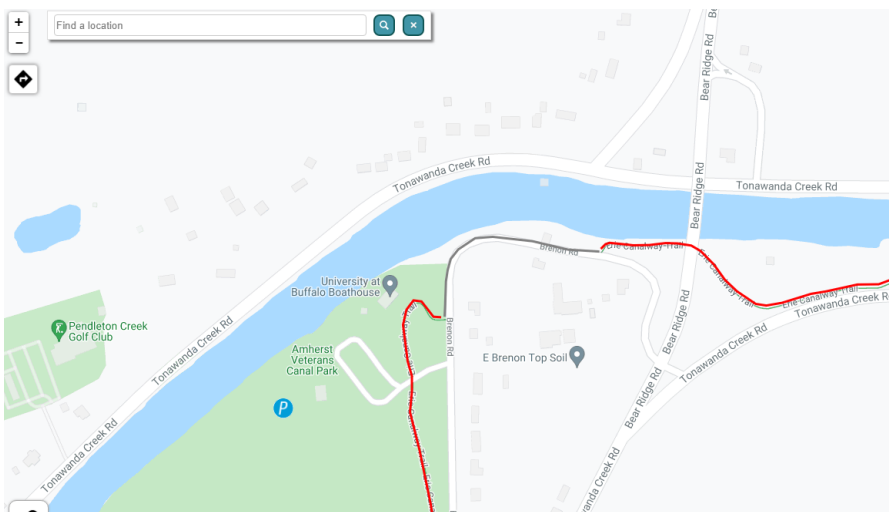

4. Our third rest and lunch will be at Uncle G's Ice Cream which is on the corner of East Canal Road and Tonawanda Creek Road. **We should arrive at this site at 11:50AM.** We will rest 10 minutes and get our pre-ordered lunches at 12:00PM. As scouts, we will be courteous as there will be many of us and other customers. There are picnic tables that we can use and we will practice Leave No Trace. **Distance from 3. to 4. is 2.1 Miles.** We should expect to leave no later than 12:45PM.

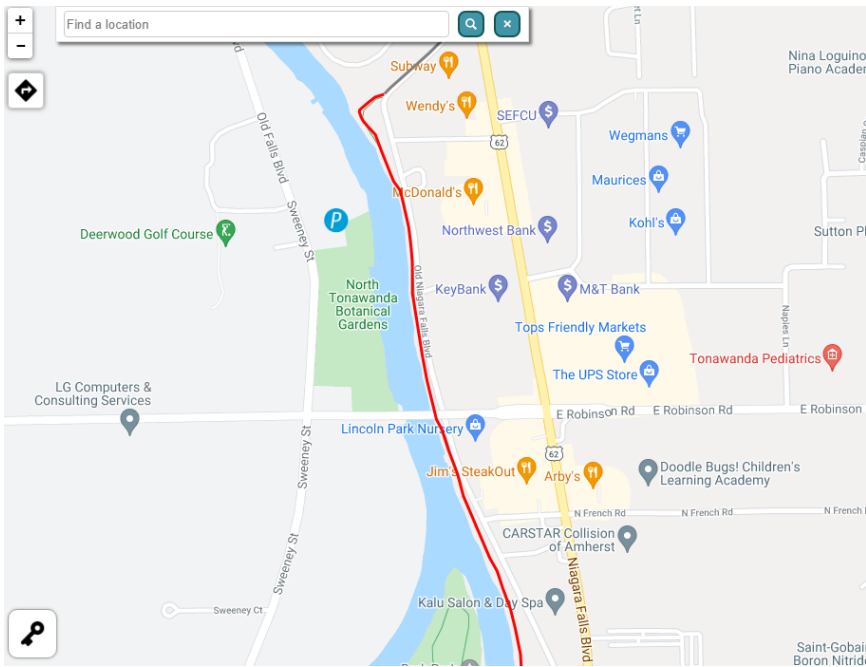

5. Our fourth rest will be behind the North Amherst Fire Hall on the Trail near the corner of Campbell Boulevard and Tonawanda Creek Road. ***We should arrive at this site at 1:50PM.*** We will continue our hike after a brief 10 minute break. There is parking at the North Amherst Fire Hall. ***Distance from 4. to 5. is 3.1 Miles.***

6. Our fifth rest will be at the Amherst Veterans Canal Park on Brenon Road off of Tonawanda Creek Road. ***We should arrive at this site at 2:35PM.*** We will continue our hike after a brief 10 minute break. There is parking at this site. ***Distance from 5. to 6. is 1.8 Miles.***

7. Our sixth and final stop is at Jim's Steak Out on Niagara Falls Boulevard. ***We should arrive at this site at 3:45PM.*** Scouts and any trash may be picked up in the parking lot at this time or you may enjoy a delectable mid-afternoon sandwich at Jim's. ***Distance from 6. to 7. is 3.0 Miles.***

Given the walking around at each stop cleaning up trash most likely accounts for 1 mile, the actual hike distance is 15 miles. If you made it all the way, congratulations!
