Camp Stonehaven Beaver Day May 8, 2021

What is Beaver Day?

Beavers are hardworking and industrious, just like Scouters. This is a chance to help improve our weekend camp facilities. Camp Stonehaven needs your support! Who? - Boy Scouts, Cub Scouts, and Adult Parent/Leaders of units. All groups and individuals are invited to attend.

What kind of things will we be doing?

All sorts of clean up and repairs to help Ranger Jerry get ready for the weekend camping season. We'll be moving and splitting firewood, staining buildings, repairing steps, and whatever else needs to be done. Bring tools if you can.

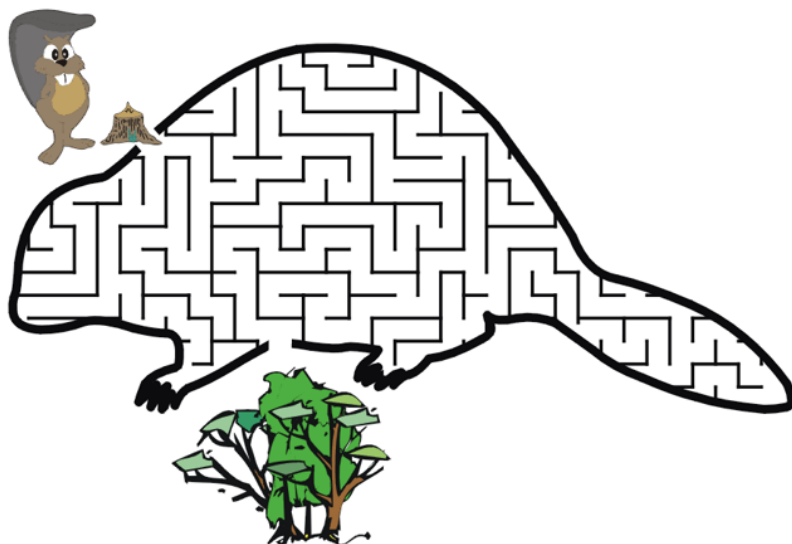

When? – Saturday May 8, 2021 – 9 AM Start

Why are we doing this?

Stonehaven is our weekend camp in the Polaris District and we want to do what we can to make it better. Ranger Jerry has limited time and resources. If we can help him keep our camp beautiful, we all can have a great experience when we camp there for weekends and at Klondike derby.

Due to Covid restrictions we ask that each person bring their own bag lunch and water bottle.

Dress for the weather, wear a face mask and bring a small bottle of hand sanitizer.
