

Internet Recharter 2.0

BOY SCOUTS OF AMERICA®

Prepared. For Life.®

Why The Need For A New System?

- BSA is upgrading their database systems to be more efficient and to save money
- New system will be simpler and easier to use
- It's on the same database as Scoutbook and facilitates data sharing

When Will The New System Become Effective?

- All charters due December 31, 2021 and beyond
- Units can begin processing their charters on October 15th
 - In future years, charter renewal will begin on Oct. 1
- Charters due earlier will use the current system

What Are The Benefits Of The New System?

- Fewer steps in the process
 - Single screen for all data review and validation
- No access codes required
- Same login and password as for Scoutbook
- Access through Internet Advancement
 - [Advancements.scouting.org](https://advancements.scouting.org)
- Uploads for new applications or CBC forms easy to manage
- ALL BSA programs will use the same system
- No paper copies need to be printed or turned into the council Service Center

Who is Responsible For Completing The Charter?

- The Unit Key 3 each have access to charter information
 - Unit Leader, Committee Chair, Charter Rep
- A unit can identify a Key 3 Designate to work charter details
 - A Key 3 Designate can be assigned by a Key 3 member using Organizational Manager in my.scouting (see next slide)

Who Approves The Charter and How?

- The COR will electronically approve the charter
 - A COR must have an email address to approve
 - Another member of the Key 3 can also approve the charter
- For Explorer Posts who do not have a COR, the Executive Lead for the unit can approve the charter

How Is The Charter Payment Managed?

- A unit has three options
 - Pay online at ‘checkout’ using a credit card
 - Note: There is a fee (3%) for this method
 - Direct bank withdrawal using an ECHECK
 - Note: \$1.00 service processing fee
 - Submit check directly to the council Scout Service Center

When Does The Charter Renewal Process Begin?

- Charter Renewals will be available to start October 15
- This is two weeks later than in years past
- Extra time needed to complete system implementation
- A later start date should not be an issue
 - Simpler process than previous Charter Renewal process
 - Most units don't begin charter activity until late October
