Whitworth Ferguson Planetarium at Buffalo State University

Please plan to arrive at 3pm for set up, and we'll ask the Sturm family to arrive at 3:30.

Pizza, drinks and Birthday Cake will be provided for the scouts.

Mrs. Sturm just turned 90 years old, and her daughters – Mary and Tracy – would like to give her the wonderful audio-visual learning experience of the Whitworth Ferguson Planetarium surrounded by some family, friends AND her favorite kinds of people: you!

About our guest of honor:

Mrs. Patricia Sturm was a scout leader, and both of her daughters were in her troop. She began her career as a first grade teacher, working later with special needs students. She liked to hike, sing, take care of flowers, and loved to be around kids and help them learn about the world around them! Pat loves Snoopy and the Peanuts characters and her favorite Girl Scout Cookies are thin mints.

She's experienced some health issues lately and can't walk on her own or talk any longer, but she still gets going every day to visit friends, eat great chow, and get in some exercise. She listens carefully and remembers alot. Mrs. Sturm teaches all of us, each and every day, how to DO GOODLIFE!
